To ensure that your post inspection goes as smoothly as possible and does not take more time than necessary, please follow the following guidelines:

1. Be prepared to start the inspection on time.
2. Ensure that all items listed on the inspection form are available and ready for review.
3. Ensure that all personnel required to complete the inspection are in attendance.
4. If you have questions, call prior to the inspection so that all items can be ready.

During your Post meeting, the District officers will talk about VFW programs and events under the good of the order.
