To ensure your post inspection goes as smoothly as possible and does not take longer than necessary, please follow the guidelines below:

1. Be prepared to start the inspection on time.
2. Ensure that all items listed on the inspection form are available and ready for review.
3. Ensure that all personnel required to complete the inspection are in attendance.
4. If you have any questions, please call prior to the inspection so that all items can be ready.
5. TBD The District inspector will contact you to work out inspection time with your post.

During your Post meeting, the District Officers will talk about VFW programs and events under the Good of the Order.
